The Four Tops are soulful and powerful, smooth and soaring, subtle and finally, timeless. Their catalog, at Motown and a variety of other labels, is a testament to a unique kind of group that's endured from the moment the quartet met through the opening strains of "Baby I Need Your Loving"; the Top's first Motown hit, the Grammy nominated "Ain't No Woman", and endures through every performance they still deliver today.

The Four Tops are truly a timeless group whose sounds will always be a mainstay in musical history.
