By coding invoices and checking against fee schedules we determine when overcharges, exchange rate errors, double billings and other inaccuracies occur. We go one step further, comparing charges incurred against our exclusive database of average costs by country and service ensuring that your charges are in line with market rates for that country.</p> <p>Disbursement Payment Services Our Disbursement Payment Service frees cash flow and eases the burden of advancing fees for disbursement payments. Using our patent pending method, you achieve zero interest financing of disbursements.</p> <p>Outsourced Invoice Entry We cut operation expenses by as much as 40% through out-sourced accounts payable invoice entry services. Rather than paying someone in your organization to tediously enter and code invoices, we code and enter your invoices for you. Your employees can move on to more productive tasks.</p>	<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Booth #41</p>
