ground transportation from Houston's local airports

There are 2 airports that service the Houston, TX metropolitan area. Please visit the airport websites listed for additional information on ground transportation.

Bush Intercontinental Airport (IAH) is located 26 miles northeast of the hotel. Taxi fare to the hotel is approximately \$45. Taxis can be hailed through the Ground Transportation employees outside each terminal. Super Shuttle also provides shuttle service to the hotel for \$27 for the 1st guest and \$7 for each additional guest. <http://www.fly2houston.com/iahHome>

William P. Hobby Airport (HOU) is located 14 miles southeast of the hotel. Taxis are available at Curb Zone 3 outside of the baggage claim area on the lower level. Super Shuttle also provides shuttle service to the hotel for \$23 for the 1st guest and \$7 for each additional guest.
