

# Become a Mentor, a Mentee or Both

## *Mentoring under the AIPLA Mentoring Committee includes:*

- Commitment and follow-through between Mentor and a Mentee
- A number of uninterrupted mentoring sessions
- Frequency at the convenience of the Mentor and Mentee

## *During the Mentoring Sessions:*

The Mentor assists and guides a Mentee:

- With AIPLA and intellectual property career topics of interest to the Mentee
- Optionally in other situations where the Mentee needs coaching or direction

## *The Pairing Subcommittee:*

To facilitate appropriate pairings of Mentors and Mentees, we have formed a Pairing Subcommittee chaired by Laura Zeman (lzeman@swlaw.com):

- The Committee has developed a survey for the purpose of determining Mentor/Mentee pairs based on common interests.
- The survey will appear in the AIPLA Bulletin with an AIPLA Web Site address for downloading and filling out the survey for e-mailing to Laura.

## *Fellows Mentoring Target Committee Liaisons*

In addition to mentoring of AIPLA members at large, the Mentoring Committee and Paul Prestia, Chair of the Fellows, is assisting in rollout of mentoring by the Fellows.

Paul has appointed the following Fellows as leaders for coordinating the mentoring of liaisons from the target committees:

- Women in IP Law Committee (Meg Boulware, Lead Fellow)
- Young Lawyers Committee (Mort Goldberg, Lead Fellow)
- Corporate Practice Committee (Bob Kline, Lead Fellow)
- Diversity in IP Law Committee (Roger Smith, Lead Fellow).

## *Suggestions for Improvement:*
