overview

A multi-session seminar covering advanced issues relating to chemical patent prosecution and litigation. The seminar features speakers from the USPTO, chemical and pharmaceutical companies, and nationally known private practitioners. The seminar will include a panel discussion on Post-KSR case law pertinent to chemical practice, strategies and pitfalls relating to chemical patent litigation, developments regarding the inducement standard, analysis of biogenerics, strategic application drafting tips, prosecution strategies to overcome inherency rejections, and current issues in reexamination proceedings at the USPTO.

CLE credit

We are an approved provider by most states requiring CLE and have applied for credit for this meeting to all states requiring CLE. The number of credit hours will vary depending on the requirements of the individual state. For 50-minute states, up to 8.3 CLE credit hours. Certificates of Attendance, Attendance Sign-in Rosters and all other CLE information for various states will be available at the Registration Desk.

The 2011 Chemical Patent Practice Road Show has been approved for Minimum Continuing Legal Education credit by the State Bar of California (a 60-minute state) in the amount of 7.0 credit hours. AIPLA certifies that this activity conforms to the standards for approved education activities prescribed by the rules and regulations of the State Bar of California governing minimum continuing legal education.
