21st Century Patent Reform— History and Background

A discussion of how the current
bills came to be.

Remy Yucel

Highlights and Development

Major (or most controversial)
Provisions of the Legislation, with
Some Comments on Where it Started
and Where it Got To (in the House).

George Elliott

Divergence before Convergence

A Comparison of Where the House
And Senate Are Now. (And maybe
some speculation about how the bills
may come back together again.)

Remy Yucel and George Elliott
