AIPLA Members and Friends:

We are so excited to welcome you all to the 2021 Annual Meeting!

For the first time since February 2020, we will be bringing our IP community together in-person once again to connect, learn and grow at the can't-miss IP event of the year.

Minutes from D.C., the beautiful National Harbor Resort provides plenty of space and has innovative procedures in place to ensure your safety and comfort being around others.

We know that not everyone will be able to travel, so we are also offering a digital experience package that includes access to select live-streamed sessions, on-demand recordings of all educational sessions, and unique networking experiences. This year, we're really pleased to bring you a program that is truly **in-person+**.

For this #aiplaAM21, we will be offering our in-person attendees not only excellent CLE, but also unique and fun social activities that will make getting back together a celebration. Get ready for Adult Recess featuring games and activities designed to engage folks in healthy competition, a Masquerade Ball where you'll get a chance to really get to know your colleagues, move around, and meet new friends, and an Around the World showcase of our 60+ committees. You'll be able to easily navigate the meeting and learn about our exhibitors using the Meeting App and event desktop platform.

We learned a lot about how to stay connected with our friends and colleagues during the pandemic, and we know that even if you CAN travel, you may not WANT to travel, or you may WANT to travel, but you CANNOT.

What do we mean by **in-person+**? For those who can't travel but want to attend, Track 1, Titans of the IP Bar, and the Closing Plenary will be available to stream live, so you can watch and interact in real-time. During the live stream, you can participate as if you're "in the room" by chatting with your other virtual colleagues and submitting questions for the speakers. Additionally, each and every educational session will be captured and loaded into the platform once the meeting has concluded. This means that you can attend Track 1 live, or if you miss it, you can view the recording as your schedule permits. As a virtual attendee, you'll be able to access all of the educational sessions on demand, on your time.

We also have two special virtual networking events built into the live event schedule. All in-person and virtual attendees are invited to network, so you can connect with people who are both attending in-person, or remotely like you. The Meeting App and event desktop platform will be your vehicle to take advantage of all the event has to offer. You can visit the virtual exhibits, and even schedule time to connect with exhibitors, learn about the speakers, and connect with all Annual Meeting attendees, no matter where they are in the world.

Corporate In-House Counsel — Attending Your First AIPLA Meeting? Please, Be Our Guest...

AIPLA has a special offer to encourage in-house corporate counsel to attend an AIPLA major meeting to see first-hand the outstanding CLE programs we provide. For individuals who have never attended an AIPLA stated meeting, such as Mid-Winter, Spring, or Annual Meeting, who are also corporate in-house counsel, AIPLA will waive the registration fee. Tickets to the events are not included in this registration. You will need to pay for those events separately. This waiver of fees is available for one stated meeting only.

To take advantage of this one-time offer, simply complete the registration form and fax it to us at 703-415-0786. Once AIPLA has verified that this is your first major meeting and that you meet the in-house corporate counsel criteria, you will receive a registration confirmation. Our hope is that you enjoy your experience at your first AIPLA meeting and that you will join us again for future programs and become more actively involved with the work of the Association, especially through involvement with the Committees.

If you qualify for this special offer, please select the box listed as “first-time corporate in-house counsel” on the registration form.

AIPPI-US: GOING STRONG AND GROWING

Annual Meeting

The AIPPI-US Annual Meeting meet on Thursday, October 28th, 5:00 - 6:00 pm We are also working with the International Committee Cluster to host a networking event on Friday, October 29 from 4-6 pm.

Join AIPPI-US

AIPPI-US is the fast-growing, internationally focused division of AIPLA. AIPPI is the international organization of business firms, executives, lawyers, educators, patent and trademark agents, and people like YOU!

To join, visit the link below. Become an international IP Lawyer. We are waiting for you!

With membership approaching 300, the AIPPI-US division of AIPLA is gearing up for the 2022 Annual Congress in San Francisco, CA. AIPPI is a long-established global intellectual property association and has major visibility and influence in the global IP community. As a result, AIPLA members have the opportunity to join the AIPPI-US Division of AIPLA and make even more of a difference in international IP law.

Why Join the AIPPI-US Division of AIPLA?

AIPPI brings together leaders from many national groups on a level playing field, providing unique opportunities to learn about IP law in other countries. One of the important benefits of membership in the AIPPI-US Division of AIPLA is the chance to meet and get to know top US and international IP lawyers and learn about US intellectual property law in an international context.

AIPPI at Work

AIPPI is the international association for the protection of intellectual property. AIPPI Resolutions can and do provide support for international and national lawmakers, advocates and decision-makers engaged in the work of advancing the development of IP treaties and laws and in applying such authority to determine the rights of parties. WIPO and the "IP5," as well as other regional and national patent or intellectual property offices, legislatures and courts, are among the important organizations and institutions to receive such input from AIPPI.

Save the date...

The AIPPI 2021 Congress will be virtual.

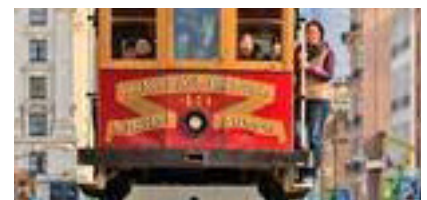

The Congress will begin on October 15, 2021, and conclude on October 22, 2021.

The online Congress will include all the sessions that you have come to know in our traditional in-person Congresses, including Panel Sessions, Plenary Sessions, Women in AIPPI and the Young AIPPI Forum. In addition to this, the online environment provides us with the opportunity to try out new ideas, such as a fun and fresh way to network and the AIPPI Cafés - small group discussions on a variety of hot topics.

As always, the AIPPI World Congress provides the opportunity to learn what is happening in the IP industry, where Resolutions are discussed and voted on, and to network with IP professionals from around the world.

The US Division is hosting the 2022 Congress September 10 - 14, 2022 in San Francisco. Details coming soon.
